FIA KARTING EUROPEAN CHAMPIONSHIP – KZ2

Zuera (ESP)

13 - 16 April 2023

1. Digital FIA Karting Licence & License Penalty Points

- 1.1. As per Article 28.B of the 2023 FIA Karting Specific Prescriptions, all 2023 FIA Karting Championships Events will be subject to the accumulation of “Penalty Points” on a driver’s Digital FIA Karting License. When a penalty is applied under the Code or Article 2.24 of the FIA Karting General Prescriptions, the Stewards may impose penalty points on a Driver’s Digital Licence.

- 1.2. If a Driver accrues 12 penalty points on his/her Digital Licence, a one-race ban is to be automatically applied, following which 12 points will be removed from the license. The one-race ban is applicable to any event counting towards an FIA Karting Championship, and is transferable between different Championships.

2. 2023 Update to the FIA Karting European Championship KZ - Sporting Regulations

- 2.1. As approved by the 15th of December 2021 WMSC, Art 20 - C: Qualifying Heats of the KZ European Championship Sporting Regulation has been updated.

- 2.2. As per Case A of the above Article (less than 36 Participants), we remind that the finishing position of Heat 1 will determine the starting position of Heat 2. The finishing position of Heat 2 will determine the starting position of Heat 3.

- 2.3. The point - adjudication system for both the Event’s Classification and the Championship Points remains unchanged, as per the relevant Articles of the 2023 FIA Karting Specific Prescriptions.

3. Light Panels on Marshals Posts

- 3.1. Light panels have been installed at every Marshals post; the light signals have the same meaning as flag signals.

4. Drivers leaving the Dummy Grid / Pit Lane.

- 4.1. For safety reasons, all karts entering the circuit must do so in a safe manner **and inside the 'pit exit' white lines**. We will be monitoring Pit Exit driving behavior and reserve the right to report any infringement of this Article to the Stewards of the meeting.

5. Observing yellow flags/lights.

- 5.1. When a yellow flag/light is displayed at a marshals post no overtaking is permitted.

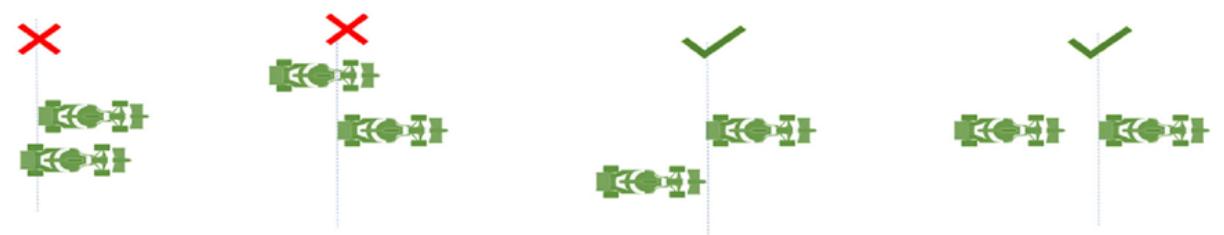

6. Entering the Track for Laps during qualifying.

- 6.1. Please ensure you leave the pits safely and do not impede drivers at any time on track.

7. Restarting after a 'SLOW' procedure.

- 7.1. Please see below diagram:

- 7.2. **Restart** – no overtaking is allowed before the start/finish line. Drivers should follow the leading kart at a slow and constant speed, in either a single file or staggered formation, but never with any part of their bodywork in front of the leading kart's rear bumper. Acceleration by the poleman should start upon approach of the track's "Yellow Line"

8. Circuit & Parc Fermé Cameras

- 8.1. The FIA Camera System is operational on circuit and in Parc Ferme, including in Pit Entry/Scale line.

9. Specific Regulation Regarding 'Front Fairings'

- 9.1. We remind Competitors that, as per Article 2.3.3 of the 2023 FIA Karting General Prescriptions, an attempt (whether successful or not) to reposition a front fairing which is not correctly positioned (by a Driver or a third party, and as defined by Technical Drawing 2.2.1 of the 2023 FIA Karting Technical Regulations), a report to the Stewards of the Event will be made. If found guilty the mandatory penalty is **DISQUALIFICATION FROM THE EVENT**. We remind Competitors that upwards of 30 Race Control cameras are available throughout the track, and the provisions of this Article will be closely monitored throughout the Event.

10. Helmet and Visor cam

- 10.1. We remind competitors that helmet and visor on board cameras are strictly forbidden at all times as they are modifications to the helmet, forbidden as per Appendix L, Chapter III, Art. 1.4 of the ISC.

11. Race Suspension – (RED FLAG)

- 11.1. Should a race be Red Flagged, please ensure to slow down and be prepared to stop as instructed by the marshals. Where possible, drivers will be directed to the start/finish line where they must stop and not carry out any work or interfere on the kart until approved by an FIA Official/Scrutineer. Additional details about the restart procedure will be given at the drivers/entrants briefing.

12. Broken down karts on the track

- 12.1. Wherever possible (and if safe to do so) Drivers must remove their karts to a place of safety, move as soon as possible to the closest Marshall post (or dedicated press safe area) and wait there until the end of the Session. The Press Safe Areas will be reviewed by the Race Director, during the Event's Official Drivers'/ Entrants' Briefing.

- 12.2. It is mandatory to wear the driver's helmet properly when on the pick-up vehicle

13. Attempt to restart

- 13.1. Should a driver stop on track, only **ONE ATTEMPT** to restart is allowed, which is to be made in safe conditions.

14. Chequered Flag – In lap

- 14.1. After the chequered flag, and without overtaking, every driver must go back to parc fermé without any delay, at a slow speed and avoiding dangerous driving liable to hinder other competitors.

15. Pre Grid & Kart Repairs

- 15.1. No tools are allowed on the Final / Pre-Grid – if a kart is worked on with tools within these spaces, a report will be sent to the Stewards. We remind that the applicable penalty for the above infringement is Disqualification from the Heat concerned.
- 15.2. The only exception allowed to Art 14.1 of these Race Director's Event's notes will be any work carried out on a kart following a failure to start from the pre-grid (*E.G :Faulty spark plug requiring a change*). The tool - assisted work will only be allowed following a clearly demonstrated failure to start, noted by a Judge of Fact, the Technical Delegate or the Race Director(s). The Driver concerned will take the start from the back of the formation, irrespective of the number of Formation Laps, upon order of the Race Director or Judge of Facts/Scrutineers.

16. Drivers/Entrants Briefing

- 16.1. We remind all Drivers and Entrants that official briefing is mandatory: refer to the timetable of the event to check date and time.

17. Summoning - 2023 Update

- 17.1. In an attempt to introduce quality of life improvements, all Events of the 2023 FIA Karting Championship's Season will move towards summoning by the Stewards in digital format, through SMS texts, replacing the traditional runners.
- 17.2. Should a Driver be summoned, he/she will receive an SMS text message informing him/her of the summon. The Driver's Entrant will also receive the same message.
- 17.3. All other procedures to attend the Summon are to be done according to all relevant of the 2023 FIA International Sporting Code.

Any kart on the track when the checkered flag is shown may then complete another lap and, instead of entering the pits, proceed to the grid and carry out a practice start.
- 19.2. All drivers carrying out a practice start must do so by pulling as far forward on the grid as possible and, if necessary, should wait for others to carry out a start before getting to a grid position further forward. **Under no circumstances** should a driver make a practice start if another kart is still stationary in front of him/her on the same side of the grid.

They will not be authorized to regain their original position in the formation and will take the start***

from the back of it. No other Drivers will be allowed to occupy the places which have remained vacant.”

20.4. As per Art 2.19.9 of the 2023 FIA Karting General Prescriptions, any driver unable to exit the pits will only be able to do so following the Start of a race, at the back of the grid, upon order of the Race Director.

22. Circuit - Specific Information

22.1. **Pit Exit:** To all Mechanics: Please stop pushing your driver **IMMEDIATELY** after the white line painted at the exit of the pre grid area, as you will otherwise be in a dangerous position. Should you have any problem to start please come back in a safe position to conduct a secondary attempt. Failure to comply will be reported to the Stewards.
